"The films on MODERN MAKE-UP were wonderful. I don't think I have ever had a unit of work in my drama classes which has created so much interest. I have recommended purchase of a set. For me, a director, they are a MUST!" —Senior High School, Texas.

"Your excellent films on make-up were received. The class enjoyed them and we will want them again next year." —High School, New York.

"Our drama director was so impressed with the make-up films that he requests this department to purchase a set. We have entered them in our fall budget." —Audio-Visual Ed. Dept. High School.
